Looking for an *excellent*, but  
*affordable* education for your  
child? Most importantly, are  
you interested in a distinctly  
**Christian** education devoted to  
core Biblical values necessary  
for a healthy life?

A MINISTRY OF:

**Temple Baptist Church**

"Connecting people to Christ. . ."

# Celebrating 15 years of excellence in Christian Education

## Our Story:

Founded in 1998 as a ministry of Temple Baptist Church, Temple Christian Academy (TCA) has educated well over 1000 students. A member of the ASSOCIATION OF CHRISTIAN SCHOOLS INTERNATIONAL, with an annual enrollment of around 115 students, TCA has a desire to grow and thrive as an influential leader in the communities surrounding the school. Through the A Beka Curriculum, Temple Christian Academy prides itself on the quality of the distinctly Christian Education it provides for students in 3 Year Old Preschool through the Eighth Grade. In addition to teaching one of the best Christian curriculums available, TCA is a leader in educating students through integrating their faith, learning, and the use of technology in everyday life. As TCA begins its 15th year, consider the opportunity to invest in a "complete package" approach to educating your child.

## Temple Life:

### Chapel:

Every Friday, students attend a Worship Service with music, Bible Study, games, and fun. Students learn how to put their learning to practice as they participate in Friday Worship.

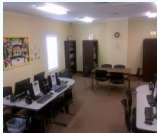

### 4-H:

Students enjoy an active 4-H program with options from cooking and photography to showing livestock.

### Library Lab:

With an impressive computer and e-book lab, students have a terrific opportunity to learn and interact with culture from a Christian perspective.

### Community Service:

Every year, students engage in various community projects. These projects include passing out clothing and food, organizing food drives, and visiting the children's home. Students also enjoy the benefit of "community" at the annual Fall Festival event held in October.

### P.E.

Students participate in P.E. every week where they learn the value of practicing healthy habits while having fun. Although we do not currently offer athletics, students are encouraged to participate in Y.M.C.A sports. By law, they are also allowed to participate in public school sports while they attend TCA.

### Music/Art:

Offered to students interested in piano, voice, and art. Art includes painting and pottery. Drama and acting are also offered each year; students demonstrate their talents in the annual Christmas production.

## Valuable and Affordable:

Temple Christian Academy Teachers are well educated (with most possessing a Bachelor's degree or higher) in relevant fields of study. Teachers are placed where they are called and gifted. The faculty members of TCA have dedicated years of their lives in training and study to educate their students. Many members of the faculty have taught at TCA for at least three years. Each teacher continues training and learning so that he/she is able to continue to give students all they need. It is truly a blessing to be able to provide students with highly trained teachers at an affordable rate.

### Tuition and Fees:

Enrollment Fee:	\$250.00 annually
Tuition: One Student-	\$184.00 monthly
Two Students-	\$310.00 monthly
Three Students-	\$375.00 monthly
